

## Purpose, Objectives, and Disclosures

<b>Title:</b>	
<b>2020 Michigan Clinical Nursing Conference for HIV &amp; STD Care</b>	
<b>Purpose:</b>	
The Michigan Clinical Nursing Conference for HIV & STD Care will provide up to date knowledge important to the treatment of people living with HIV and other chronic illnesses. The conference will also offer educational resources for clinicians and their clients. The resources and learning tools are designed to deliver improved quality of care for people living with HIV. The conference sessions will discuss medical mistrust and the ongoing issues within communities as well as provide suggestions on breaking down barriers with discussions from a live panel.	
<b>Learning Outcome:</b>	
After attending this conference, the learner will have current knowledge and tools to deliver improved quality of care for people living with HIV. Increased clinical knowledge will be gained in the areas of Hepatitis C, Chronic Pain Disorders, Adverse Trauma, Colorectal Cancer Screening, and several other clinical areas related to people living with HIV.	
<b>Session Objectives:</b>	
<b>LIVE SESSIONS – CE AVAILABLE 10/14/2020</b>	
<b>Session #:</b> Live 1 <b>Session Title:</b> Still We Stand: Reclaiming Our Passion Amidst Crisis <b>Presenter(s):</b> Bridget Leonard, DNP, MBA, RN, NEA <b>Available CE:</b> CNE 1.00 <b>Objective 1:</b> Identify five passion areas in their career. <b>Objective 2:</b> Identify five ways to relieve stress. <b>Objective 3:</b> Identify ways to recognize strengths within ourselves when working with clients and peers that allow us to be more effective.	<b>Session #:</b> Live 2 <b>Session Title:</b> Hepatitis C Virus (HCV), An Evolving Epidemic <b>Presenter(s):</b> Anthony Martinez, MD, AAHIVS <b>Available CE:</b> CNE 1.00 <b>Objective 1:</b> Discuss HCV and PWID epidemiology. <b>Objective 2:</b> Discuss HCV treatment among PWID. <b>Objective 3:</b> Discuss the different models of care to engage PWID for HCV.
<b>Session #:</b> Live 3 <b>Session Title:</b> MOASH Adolescence Sexual Health Panel <b>Presenter(s):</b> Stephanie DiPonio, MSW, Tory Sparks; Adolescent Panilists <b>Available CE:</b> CNE 1.00 <b>Objective 1:</b> Discuss tools nurses can use to better relate to youth patients. <b>Objective 2:</b> Identify how youth interact with the issues of HIV and STDs.	<b>Session #:</b> Live 4 <b>Session Title:</b> Understanding and Treating Chronic Pain Disorders <b>Presenter(s):</b> Glenn Triesman, MD, PhD <b>Available CE:</b> CNE 1.00 <b>Objective 1:</b> Describe the difference between acute pain and chronic pain. <b>Objective 2:</b> Identify reinforcers of pain. <b>Objective 3:</b> Discuss how to create a personalized plan for patients with pain.

## Purpose, Objectives, and Disclosures

### RECORDED SESSIONS – CE AVAILABLE 10/14/2020-12/14/2020

<p><b>Session #:</b> RS 1  <b>Session Title:</b> First Do No Harm: 330+ Years of Blacks, Medicine, and Mutual Mistrust  <b>Presenter(s):</b> Delma Jackson III, MLA  <b>Available CE:</b> CNE 1.00  <b>Objective 1:</b> Discuss the combined role of pop-culture, science, and medicine in facilitating the rise of white supremacy in America and abroad.  <b>Objective 2:</b> Discuss why Black and Brown people felt particularly vulnerable to continued experimentation well into the twenty-first century.  <b>Objective 3:</b> Describe potential advantages of an intersectional, historically grounded approach to care.</p>	<p><b>Session #:</b> RS 2  <b>Session Title:</b> Affirming Sexual History Taking/Sexual Health Conversations  <b>Presenter(s):</b> Kristin Baker, MD  <b>Available CE:</b> CNE 1.00  <b>Objective 1:</b> Discuss how to take an affirming, inclusive sexual history.  <b>Objective 2:</b> Describe how engaging patients in affirming conversations surrounding their health leads to engagement in other health outcomes.  <b>Objective 3:</b> Identify tips and tools to taking a comprehensive sexual history.</p>
<p><b>Session #:</b> RS 3  <b>Session Title:</b> Colorectal Cancer Screening, Early Detection and Prevention  <b>Presenter(s):</b> Kim Turgeon, MD  <b>Available CE:</b> CNE 1.00  <b>Objective 1:</b> Define Colorectal Cancer.  <b>Objective 2:</b> Discuss which populations are at a greater risk for colorectal cancer.  <b>Objective 3:</b> Discuss the connection between HIV and Colorectal Cancer.</p>	<p><b>Session #:</b> RS 4  <b>Session Title:</b> Trauma Informed Care  <b>Presenter(s):</b> Stephanie DiPonio, MSW  <b>Available CE:</b> CNE 1.00  <b>Objective 1:</b> Identify principles of trauma-informed sex education.  <b>Objective 2:</b> Discuss how language shifts can create a more inclusive environment in sex education.</p>
